I give permission for my student to take part in *Super Summer Serve* and related events, including transportation for these events, and assume the risk and any financial responsibility for any injury or liability resulting from their participation. I understand that transportation may include bus or travel in cars driven by parents, and that students will be involved in a variety of service projects which may include yard work, trash pick-up, painting, serving food, etc., as well as recreational activities such as swimming.

I am aware that photos of students are randomly taken at ministry program and events and may be used in Christ Church publications, promotional materials, slide shows, bulletin boards and the Christ Church website.
