

High School Mission Trip Asheville, North Carolina

appalachian missions

Asheville is located in the Appalachian Mountains in western North Carolina, and while this region is very beautiful, the rural areas struggle with extreme poverty. The two counties we will be working in are among the poorest in North Carolina. Many people live below the poverty line. We will be doing major home repair projects which will make a dramatic difference in the lives of the people living there.

The dates: June 20-30, 2012

Cost: \$595 for students
\$450 for adults

This cost includes 3 days of camping, white water rafting, all transportation, food while camping and at our mission site, and lodging. You will need to bring additional money for food while we are traveling and spending money.

A NON-refundable deposit of \$100 is due by Sunday, January 15th.

We have reserved 60 spots, and while the registration deadline is officially January 15th, it is first come first serve. When all of the spots have been filled, we will start a waiting list.

HOW will you pay for it??

We have a fundraising plan in place that will allow you to raise ALL you need. It will require effort on your part, but you can do it!

We will be partnering with Youth on Mission which has been arranging mission trips in the South Eastern US for over 20 years. We will be staying on a college campus just outside of Asheville with other mission teams from all over the country.
