

# January PRESCHOOL PRESS

Dear Parents,

Have a wonderful Christmas vacation with your families. We look forward to the New Year with you. Remember to have your child bring a warm coat, hat, mittens, boots, and snow pants when we start classes again. It gets pretty frosty playing outside in January! We will go outdoors on days when it is above 15 degrees with wind chill. It would be helpful if the children helped pack their backpack so they are aware that they have these items along. Many times they are very sure they do not have mittens or snow pants and it takes awhile to search through multiple children's backpacks with all the compartments they have!

Some dates to remember in January:

- ☺ January 3 and 4 - First days back to school, monthly and semi-annual tuition is due: \$630 for M-W-F and \$562.50 for T/Th
- ☺ January 13 - MWF classes - field trip to fire station
- ☺ January 16 - No school - Martin Luther King Day
- ☺ January 27 - No school

I hope you will find great joy this Christmas as you take time to contemplate how much God loves His world and you.

Helen Spaulding  
Preschool Director
